Ohio Girls Golf Foundation Showcase

July 20, 2026 at Avon Oaks Country Club

The Ohio Girls Golf Foundation's mission is to encourage, sponsor and support the game of golf for girls by providing college scholarships, golf training programs and financial assistance to attend tournaments.

As a nonprofit foundation, the OGGF relies on you—our loyal sponsors—to make these endeavors possible. Our main fundraiser is the OGGF Showcase for high school girls, where LPGA Tour Professional Barb Mucha, along with other PGA professionals, graciously donate their time and talent to conduct a clinic, followed by an 18-hole tournament. We also award college scholarships at the event.

So you can see your donations at work first-hand, we invite you to attend!

We appreciate the support from the corporate community, which enables us to further the growth of girls golf. See below on how you can help with our mission...
